## Premium Texture with High-resolution TFT LCD

### TFT Display

Unique Technology

### High-resolution TFT Colour LCD

The backlit 1.45-inch screen is easy-to-read, and the simple menu screen lets you access functions without confusion. The TFT (thin film transistor) LCD lets you see both characters and colour images with a GSM-like clarity that wasn't possible with conventional STN (super-twisted nematic) displays.

### Anti fingerprints

Universal Design

### Premium Texture

The new texture has a high-quality pianoblack look. The textured finish was created to blend in with modern and elegant rooms. It is coated to resist fingerprints smudges in order to maintain the luster.

### TAM Counter on Base

Unique Technology

### 2-Digit Visible LCD/Digital Answering System

The TAM Counter's handy location on the base unit makes it easy to see how many messages you have with a glance when you return home. This system automatically answers and takes a message from the caller when nobody is at home. Total recording time of about 18 minutes available\*. \* Specification may vary by country version.

### Easy-to-Hear Features

Unique Technology

### Customized Sound System

The pitch of sounds that can be easily heard differs according to each person's age. The Customized Sound System lets you adjust the pitch of phone voices, so users of all ages can talk comfortably with sounds that are easy to hear.

Stand-by power consumption below 0.5 W (excluding recharging time) due to our low-power circuit technology.

\* This logo cannot be used in some countries.

### Handset usable at ease even when power is out

Unique Technology

### Power Failure Talk System\*

During an electric power failure, you can supply the power stored in your handset to the base unit, so you can make calls even when the power is out.

\* Please note that this system is not available in some countries.

### Clearly earth-friendly

Ecology

### One Touch Eco Mode

Just press the dedicated ECO button. Signal output and power consumption are greatly reduced. In the Eco mode, the ECO indicator is clearly displayed on the LCD to show the Eco mode is activated.

### Even in the backyard or garage

Unique Technology

### Clear Sound

High-precision error correction system ensures clear conversation with less voice interruptions, allowing you to enjoy a smooth, error-free conversation even when you're out in the backyard or garage, far away from the base unit.
